Step 3: Select Challenge Questions

Edit Challenge Questions

Select questions and enter answers that only you know and that you will remember. We will use these questions to help verify your identity when we see different behavior. Once you've saved your answer, we do not display the answer. We just display asterisks in the answer box to indicate you have a saved answer to the question.

Questions	Answers
What is your oldest cousin's first and last name?	
In what city or town were you born?	
What was your childhood phone number including area code?

Step 4: Enter Security Phrase

Edit Security Phrase

A Security Phrase is a memorable phrase that you choose. For your security, ensure that this unique Security Phrase is always visible on the Security Code page to verify that you are not on a phishing site.

Enter a memorable phrase that will be displayed on the Security Code page each time you login. This phrase can help you verify the authenticity of this web site. **Do not use sensitive information such as account number, Security Code, or social security number in your phrase.**
